## **Transfer Student Agreement**

Congratulations on choosing Christ Our Savior Catholic School for your education! We are committed to teaching the Catholic faith and Christian values.

The family of Christ Our Savior Catholic School knows that a child's learning experience is influenced, both positively and negatively, by the environment in which the learn and play. We believe if there is a positive culture within the school and amongst children, good learning takes place.

We are offering you the opportunity to become a member of Christ Our Savior Catholic School.

As a transfer student, you will be expected to:

- Master curriculum goals and objectives in each academic class
- Demonstrate proper behavior at all times
- Give respect to all members of Christ Our Savior Catholic School

This agreement will be in effect for one year with periodic review. If your academic and/or behavior performance is deemed to be unacceptable at any time, you will be asked to find a new school immediately.

A complete reading and understanding of Christ Our Savior Catholic School's Student/Parent Handbook will facilitate you in achieving your goals.
